1. (Unclassified - DFM) Pat Roylance, Press Aide to Representative K. Gunn McKay (D., Utah), called in regard to the statement of John Marks printed on the first page of the Washington Star that the CIA uses missionaries to get intelligence. Roylance wanted confirmation or denial, and if confirmed, wanted to know what religious sects had been used. I returned his call and in his absence left a message with the receptionist that we would have no comment on the story. I explained our traditional no comment policy and the reasons behind it.

She said that was all the information she needed. STAT

4. (Internal Use Only - RJK) Delivered to Berniece Kalinowski, secretary to Frank Slatinshek, House Armed Services Committee staff, two items which Mr. Cary had discussed with him yesterday. They were a paper relating to the intelligence costs of [redacted] and correspondence from the Senator Select Committee To Study Government Operations With Respect to Intelligence Activities. STAT
